

Maintaining Social Distancing (~October 17)

- An ease for Fully Vaccinated and Expansion for Home Care Application -

□ Level 4 for Capital Area • Level 3 for Non-Capital Area (October 4th(Mon.) 00:00 ~ October 17(Sun.) 24:00)

* If the population of non-metropolitan city is less than 100,000, the level in City-Gun can be adjusted autonomously.

- An ease is centered on those who are fully vaccinated by comprehensively considering the quarantine situation management and expectations for step-by-step daily recovery transition.

Division		Existing	Changes
Wedding Hall (3,4 Level are the same)		<p>Up to 49 people are allowed.</p> <p>*Up to 99 people are allowed for weddings without food</p>	<p>Additional permission is expanded only for those who are fully vaccinated.</p> <p>▲ Wedding with food : <u>Up to 50 people are added for those who are fully vaccinated.</u></p> <p>⇒ Maximum of 99 people are allowed.</p> <p>▲ Wedding without food : <u>Up to 100 people are added for those who are fully vaccinated.</u></p> <p>⇒ Maximum of 199 people are allowed.</p>
First Birthday Party	3 Level	Up to 16 people are allowed.	<p>An expansion of up to 49 people are allowed only for those who are fully vaccinated.</p> <p>⇒ From up to 16 people were allowed → now maximum of 49 people are allowed.</p>
	4 Level	<p>Restriction for private gathering is applied.</p> <p>(Before 18:00 up to 4 people are allowed, and after 18:00 up to 2 people are allowed)</p>	<p>An expansion of up to 49 people are allowed only for those who are fully vaccinated.</p> <p>⇒ Formerly, up to 4 people are allowed before 6 pm and 2 people are allowed after 18:00 → now maximum of 49 people are allowed, regardless of that time.</p>
Outdoor Sports Facilities (For Level 4 Area)		<p>Restriction for private gathering is applied.</p> <p>(Before 18:00 up to 4 people are allowed, and after 18:00 up to 2 people are allowed)</p>	<p>An addition of minimum number of people, only for those who are fully vaccinated (1.5 times the number of athletes).</p> <p>⇒ For example) Baseball game requires at least 18 players, so maximum of 27 players are allowed. (Number of players 18 people + 9 people)</p>

□ Expansion for Home Care

- Home care expanding is applied to mild and asymptomatic patients, in consideration of a surge in confirmed patients and a decrease in the severity rate due to vaccination rate.
- Recipient: Applied for mild and asymptomatic confirmed patients only. (Excluding residential whose environment is vulnerable to infection.)
- Waste: Household waste disposal (Outer disinfection and double sealing is a must after 3 days of home treatment ends.
